## June 5th and 6th - EXCA Nationals at Circle E!

## **SOCA News**

Unfortunately, the SOCA EXCA race that was supposed to be held on April 18<sup>th</sup> in Gaffney, SC had to be canceled due to the heavy rains experienced in that area the weeks before the event. SOCA has never had to cancel an event, but for the safety of the horses, riders, spectators and property owners, it had to be done. We apologize to everyone that we had to miss this great event.

SOCA did host an event at Rocking K Ranch in Hernando, FL on April 25th. Karen Wilson and Bob Knight had their ranch in great shape with some awesome new obstacles. The weather was perfect and everyone seemed to have a great time. We can't thank Karen, Bob, the judges, the volunteers and the spectators that made the event so successful.

Results and pictures are later in this newsletter and complete results are on the website.

## **SOCA Judge - Keith Earl**

He is to busy to tell you his story, so let me tell you just a little about Keith- first I have to say, I am pretty lucky to have him as my husband. We have been married for over 20 years and met working as Paramedics in the city of Ft. Lauderdale. During his career, he worked as a Driver Engineer, Paramedic Firefighter and achieved the rank as FF Lieutenant, EMS Captain and at times filled in as Battalion Chief for the city of Ft. Lauderdale.

He has always kept busy, he was a member of the Fema's Urban Search and Rescue team Task force 2, covering many newsworthy events, such as the hurricanes, 911 disaster , the Olympics for a few examples. He was on the HazMat team and has also worked as a Paramedic in Off-Shore boat racing and for Nascar. He is very involved with dog rescue, especially of the German Shepherd and Belgian Malinois breed and currently works at a local kennel that trains police patrol and detection dogs. The pictures above are of Keith and his dog Tango, that he has trained and certified in Bomb Detection. After retiring from the Fire Dept. , I thought he might slow down a bit, finding ourselves living in Pierson. He hasn't.

So how did we get to SOCA?

When Keith was younger, born and raised in Davie, Florida a true cowboy, he was involved in the local rodeos, they owned horses, he rode bulls and when I expressed an interest in learning how to ride horses, he was very supportive. He sold his tractor, to purchase my first horse, Cabo and to buy my horse trailer. I know he really misses that tractor, but he is to busy now judging SOCA events and building obstacles, to be riding around on that tractor. He doesn't want to ride a horse much anymore himself, but is so supportive of me, offering to help out when and where he could and became a judge with SOCA.

I know his goal while judging is that everyone first is safe, that riders work with their horse fairly and safely and lastly they have fun with their horses. I know he uses his leadership skills to achieve these goals when guiding riders through his assigned obstacles. he can be a tough judge at times, just look at my scores from him, he can also be opinionated, but he is fair. If you ever need help getting through one of his assigned obstacles, ask him for some tips on training your horse, of course, you will be scored before any pointers, but his tips could help you next challenge.
