#### Great fun at the Green River Clinic Craig Cameron Clinic and Extreme Cowboy Race!

Once again, Green River Farm hosted an awesome event! Not only did we have 45 of the best Extreme Cowboy Race riders from all over the Southeast, but Joel and Barbara Mobley put on a top notch clinic with Craig Cameron and then we danced the night away to the live band! We can't say thanks enough to these great hosts for all that they do for SOCA!

## September 2013 Newsletter **SOCA Member Spotlight Meet your fellow SOCA Members**

## **Kathy Richardson**

Horses name and breed: My mare Georgia (not sure of breed, here are some that people have guessed: haflinger, mustang, QH cross, Belgian draft cross) and my gelding, Strider, Appaloosa Occupation: Editor at an electric utility. I have a degree in Journalism from the University of Florida. I've worked in journalism and public relations.

Other activities besides SOCA (horse related and non-horse related): trail riding, horse training, photography & scrapbooking when I have time, fishing. I'm a member of the Florida Public Relations Association Gainesville Chapter, my professional association. Family: married

Other interesting facts about you and/or your horse (what you like to do, anything you've won, goals, etc.) conditioned and rode my mare, Georgia, in limited distance endurance rides (25 & 30 miles) in 2008. Georgia is my first horse, I got her in 2004. I would like to pursue distance riding with my gelding and see how he likes it and see how we do together. I've done many obstacle challenges and clinics with my horses and a few with ACTHA. My husband and I have been taking dressage lessons with the horses and are working on getting the horses more collected, flexible and just general equitation. My ultimate goal is to have both of my horses become the best partners for me and my husband that they can. I'd like for them to be willing and able to do just about anything I ask of them. An interesting story: I have had my gelding since he was born. My mare is his dam. She accidentally became pregnant when I was boarding her in 2006 (Strider was born in July 2007). Although I did not set out to have a baby horse, I have enjoyed 'raising' him very much. It's been one of the most rewarding things I've ever done. I couldn't imagine not having him. He's incredibly honest, loves people and is very trail-oriented.

Horse(s) name and breed: Grace, Saddle Horse Occupation: High School Teacher, primarily math

Other activities besides SOCA (horse related and non-horse related):

Trail riding, spending time with grandchildren, reading.

Family: I am blessed to be married to my best friend Mike and he is blessed to have me because when his kidneys failed we found I matched him and was able to donate him a kidney. My kidney is doing very well for him! Also, I have two wonderful children and five grandchildren who I love beyond measure.

Other interesting facts about you and/or your horse (what you like to do, anything you've won, goals, etc.) raised Grace but for the first 6 or so years talked often about selling her. I had developed an interest in barrel racing and didn't think about running a saddle horse. Then she got horribly ill and I nursed her day and night for several weeks. I promised her if she would just live I would never sell her. She got better and we became buddies. When my barrel horse developed an injury I tried Grace out and found she could do just fine. She ran 3D and won some money and other prizes. Mostly she has provided me lots of fun. I once even tried donkey penning with her. She was willing but those donkeys are pretty stubborn! I really enjoyed my first EXCA Race. It could have gone better but we both learned a lot. I don't know if it was apparent but I had a lot of fun. I love a challenge and am looking forward to the next one!
